

# **EXTRA MILE MAKES BIG CHANGES**

## **TO THE LIVES OF CHILDREN IN SIERRA LEONE**

Many of the young children of Goderich, instead of going to school, have to work to help out their family. They sometimes work all day for less than £1 a day, but sometimes for half that wage!!! Sammy (10yrs) works in the quarry for over 8 hours a day breaking stones for his father. Naomi (7yrs) carries firewood for her uncle and helps her mum every day. Mustapha (11yrs) checks the nets and stores the oars for his brother's fishing boat seven days a week. These children cannot afford to go to school unless someone can help them. Abi (8yrs) may not stay at school unless her family can afford to keep her there for another term.

Architect's impression of the new Extra Mile School.

**MUSTAPHA**

**SAMMY**

**ABI**

**NAOMI**

If you feel it in your heart to help any of these children to get their childhood back and 'pull' them out of the 'slavery' of the streets or the quarry then support the work of Extra-Mile. Help Extra Mile build a new, 'free' secondary school and community library to raise the hopes of hundreds and hundreds of these children in this community alone. Help Extra Mile send more teacher volunteers to work in the schools and to train the local teachers and their heads too. Please send your donation to help each of these children to get into Extra Mile's new, 'free' school. Send a single gift or a regular payment (say 50p or £1 per week) to help raise funds to send an Extra-Mile volunteer teacher to help in these poor schools. Send your donation to help Extra-Mile build a new, 'free' school to provide places for so many poor children to Mike or write your name and address or telephone number below and return to Mike Fielding personally (044)7771874128 or to: Extra Mile, PO Box 4884,Rugby,CV219GL.
